Hi Brian,

Yes on the outreach side. Yes, currently have HOPE in/near the LA River. LAPD Off-Road is also deployed for the LA River and Basin.

Also talked with Captain Wall (LAFD) and looks like the Swift Water team will be deployed. Currently sending in the information of LA River hotspots we mapped out last week during the LA River survey so he has an idea where the most concentrated encampments are located. He also has the points of contact for the supervisor/manager on call for the weekend.
